Lt.

My Magistrate Court Pre-Trial with Raymond Staubs has been rescheduled for 0900 hrs 04/16/2024. I am also scheduled for two Charles Town Municipal Court Trials on the same date and time. Is it possible to continue my Charles Town Municipal Court trials until the next trial date (probably June, since May 14th is a holiday)? I am more than willing to attend a night court trial, in an effort not to prolong the trial date.

Respectfully,

James
